Goal Mapping by Brian Mayne

We are delighted to kick-off our Masterclass Series with Brian Mayne - an internationally reputed public speaker.

Brian will help you to focus on what success means to you. He will then help you to define your path to achieving success, ie. goal mapping. When you leave this Masterclass you will be highly focused, motivated and ready to achieve your goals.

We are sure that you and your senior team will learn a lot from Brian. If you are unable to attend, feel free to pass this invitation on to your senior colleagues.

Cost: £30 + VAT
